

ROGERS The Christmas Letter

December 23, 2022

Tony & Terrie writing to you from Bowie, TX with a little Christmas update on the bunch. This year has certainly been a year of change – we are so glad that we worship & celebrate the One who is changeless (Malachi 3:6).

Jeremy & LouAnn live Bowling Green, KY. Jeremy is the Lead Pastor at the multi-campus Eastwood Baptist Church. You can listen to Jeremy every week & suscribe on the church's YouTube page. He also serves as the chaplain for the Western Kentucky University baseball team. LouAnn is a full-time homemaker & teaches the kids at home. Jeremiah graduates in May and will be attending Southern Seminary in Louisville in the Fall. The kids just finished a production of "Elf" a musical at Southern Kentucky Performing Arts Center. Continue to pray for KatieJoy, she seems to be stable for the present.

Heather & Robbie live in Cleburne, TX. McKinnley, Bailey, Emmerson, Paisley Jo, Deacon & Piper are enjoying church & school. They are active members of Nolan River

Road Baptist Church in Cleburne where Robbie was ordained as a deacon a few months ago. Heather is the Principal's Secretary-Registrar at Coleman Elementary. Robbie is a Truss Designer at BMC Builders in Duncanville. All the kids are busy, especially the new driver McKinnley & the resident culinary arts chef Bailey. Heather & Robbie feed about 50 students every Wednesday at church.

ROGERS The Christmas Letter

Jordan & Julia live in Nederland, TX where he serves as Sr. Pastor of Hillcrest Baptist Church. You can listen to Jordan every week & subscribe on the church's YouTube page. Julia ("Chewy") enjoys being a fulltime homemaker & mom to Josiah, Elijah & Addy Jo who enjoy both school & church. This year Julia is homeschooling the kids – busy, busy! She also sings on the Praise Team at church. They are about to finish a major renovation on the house after 2 or 3 hurricanes. Jordan still loves to hunt, barber, and fish. Eli is knee deep in

basketball, Josiah loves to game, and Addy is twirling.

Terrie & I are doing well. Everything is wonderful here in Bowie & at Southside Baptist Church. It does not seem possible, but we will begin our 16th year on February 3. Terrie is a full-time homemaker, "Grandmommy" of 14, Mary & Martha Executive Consultant. Finally, Jeremy, Jordan & I are excited to announce that our book is out with major Christian publisher Wipf&Stock (*The Ministry We Need: Paul's Ancient Farewell – the Pastor's Present Calling*)

which you can purchase at Amazon. You can find our preaching & publications at Jeremiah 20:9 Ministries.

We Wish Each Of You A Merry Christmas,
